<sup>1</sup> On January 26, 2006, Sprint provided these certifications informally at the request of the staff. *See* Letter to Ms. Marcy Greene, Assistant Chief, Telecommunications Consumer Division, Enforcement Bureau, FCC from Michael B. Fingerhut, Sprint. In the cover letter accompanying these certifications Sprint stated that Nextel’s certification was prepared in 2005 for calendar year 2004; in fact, it was prepared in November 2004. Sprint is currently preparing its 2005 annual certification for the merged company. It will cover the period 2005 both pre- and post-merger as well as the period from November, 2004 not included in Nextel’s previous certification.
